PARENT/COMMUNITY SURVEY ATTACHED

We would like to thank you for providing us with your thoughts and great ideas. Your suggestions will assist staff with future plans. If you have not already returned the second edition of a survey we will be ringing families tomorrow. We value your contribution.

SHARING YOUR CHILD'S WORK SAMPLES/ACTIVITIES

It has been challenging for staff to share your student work samples with you and keep families in the loop with the extra activities we are continuing with at school due to COVID-19 guidelines. Our new Facebook page and the SeeSaw app are two extra ways we are keeping you in the loop. We encourage you to log into the SeeSaw app and like us on Facebook.

2020 ENROLMENT INFORMATION

The school has provided anticipated enrolment numbers for 2020 and 2021. This is to assist with early organisation of staffing and funding. We are asking for your assistance, if you know of any children who live in our local zone or are moving to our school zone, please encourage all families to contact the school for enrolment details. We are currently organising sample bags for future students.

INDIGENOUS FOOD PANTRY GARDEN & YARNING CIRCLE

A big thank you to Gordan and his team for bring along many indigenous plants and helping the children plant and learn the different species. Plants were planted around our newly forming Yarning Circle.

Boogulbeh, Mrs Bertuzzi
