29 October 2020 Week 3 Term 4

Education

NAIDOC (NATIONAL ABORIGINES AND ISLANDERS DAY OBSERVANCE COMMITTEE) EXCURSION COMBINED COMMUNITY OF SCHOOLS EXCURSION

The origins of NAIDOC can be traced to the emergence of Aboriginal groups in the 1920's which sought to increase awareness in the wider community of the status and treatment of Aboriginal and Torres Strait Islander Australians. The theme for this year is

To celebrate this week we will be involved in dance, damper cooking, story telling, games, and a shared barbeque

Always Was, Always Will Be

8-15 NOV 2020

lunch. Uncle Gilbert, Uncle Glen and his family are contributing to the organisation. A bus will be organised to transport students from Coffee Camp PS and our school to Jiggi PS on Thursday 12 November and return to school by 3:15pm. The cost for bus hire will be covered by Goolmangar School. Students will need to wear full school uniform and bring recess and lunch if your child is not wanting to eat food provided by the barbeque lunch. Please complete the permission note attached.

SPORT TERM FOUR

Weeks 1-7 Wednesday afternoons are Australian Football League (AFL) coaching sessions

Yoga lessons on Fridays

Week 8 Monday - Thursday Cricket Coaching Lessons
Friday End of Year Excursion

Week 9 Monday-Thursday Swimming Lessons at GSAC

Week 10 Monday-Tuesday Swimming Lessons at GSAC.

END OF YEAR CONCERT/YEAR 6 GRADUATION

Currently the COVID-19 guidelines do not allow a concert as we normally do at the moment. Things may change in the future. We are working on a celebration for the students. Stay tuned.

FACEBOOK UPDATE

Have you seen our latest photos? We have uploaded drumming lesson photos, Book Week photos and many more. Share these memories with your family and friends.

3:15	Home

Quote

"If we all think the same way, none of us probably thinks much at all."

Pasi Sahlberg

Curriculum Matters Mathematics

This week our students have been learning about two-dimensional shapes and specific types of lines. We have attached a handout for your students to share with you.

Public Speaking Competition

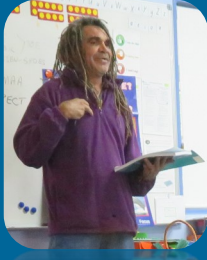

Students are working very hard in writing and presenting their speeches from a range of topics provided. All students have a copy of the assessment rubric and details on timing.

Early next week, students will present their speeches at a school level. From this level, staff will use the marking rubric to decide who will be invited to present at the combined Big Scrub Public Speaking Final that is **Friday 6th November** at Jiggi Public School. We are permitted to select two entries per stage. A permission note will be sent home with selected students next week. I will be transporting students to and from Jiggi PS to participate. Unfortunately due to COVID-19, parents are not able to attend.

School Photos next week Thursday 5 November

The attached envelope needs to be returned on or before photo day. Payment can be made online using your child's unique code on their envelope or with the correct amount of cash sealed in their envelope. Please note no change will be given on the day. Please wear full school uniform.

Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Make friends

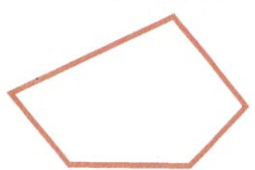

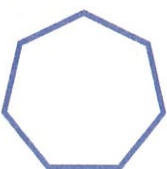

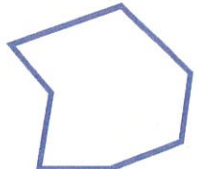

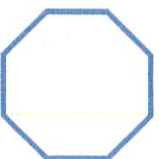

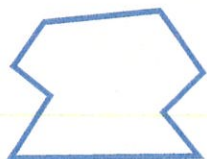

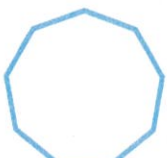

Build skills through fun

education.nsw.gov.au

Every student is known, valued and cared for at Goolmangar Public School

REGULAR and IRREGULAR POLYGONS

# of sides	NAME	REGULAR	IRREGULAR
3	Triangle		
4	Quadrilateral		
5	Pentagon		
6	Hexagon		
7	Heptagon		
8	Octagon		
9	Nonagon		
10	Decagon		

2D SHAPES

Square

- 4 sides of equal length
- 4 right angle corners

- 1 curved edge
- Same distance across at any side (diameter)

Circle

Equilateral Triangle

- 3 sides of equal length
- 3 equal angles

Right-Angled Triangle

- 3 sides of equal length
- 2 sides of equal length
- 1 right angle

- 3 sides of different length
- 3 different angles

Scalene Triangle

- 1 curved edge
- Different distance across at any side (diameter)

Oval

Quadrilateral

- 4 sides
- The sum of the internal angles is 360°

Hexagon

- 6 sides
- The sum of the internal angles is 720°

Octagon

- 8 sides
- The sum of the internal angles is 1080°

Parallelogram

- 2 pairs of parallel sides
- Opposite sides are equal length

Trapezium

- 4 sides
- 2 parallel sides
- The sum of the internal angles is 360°

Isosceles Triangle

- 3 sides
- 2 sides of equal length
- 2 equal angles

Pentagon

- 5 sides
- The sum of the internal angles is 540°

Kite

- No parallel sides
- 2 pairs of adjacent equal length sides
- 2 equal angles

Rhombus

- 2 pairs of parallel sides
- 4 sides of equal length
- Also called a diamond

Rectangle

- Opposite sides are equal length
- 4 right angle corners
